

Destiny

It suddenly occurred to me,
Whatever recently happened...
Was a big part of my Destiny.

And where is this precious Destiny?
Is it in the future or in front of me?
Is it in the past or hidden inside me?

Sometimes it's playing games with me;
Whenever I find it, it stays with me;
I have to accept it - it is my Destiny...

Sometimes they say "It's meant to be",
Or, "If it's meant to be, it will be..."
But what is behind that "meant to be"?

Is it the Universe, or is it you or me?

I've heard I'm the owner of my Destiny,
It's very confusing, God... Help me!!

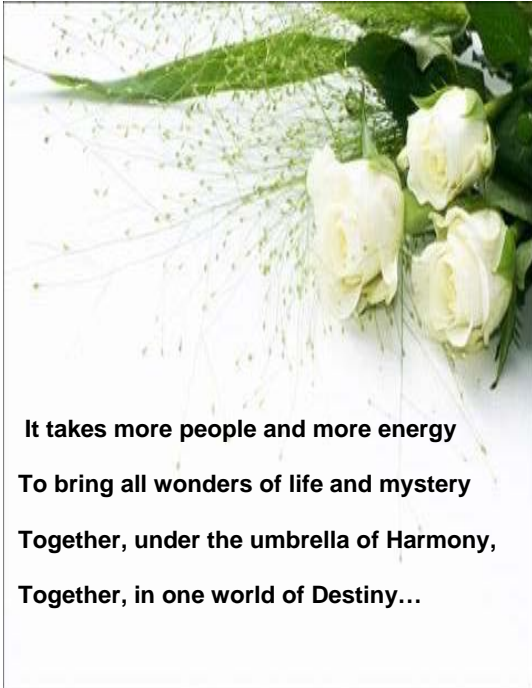

Now my present is my Destiny
Because I chose this life...you tell me!
If I have a goal or dream for me
Can I convert that to reality?

Or can I manifest my Destiny?
I'm very confused, please answer me;
What is your role in my daily spree?
Are you a part of my Destiny?

Fountain of Trevi – Love Poems

Your silence is heavy, please talk to me!

Today I realize: it can't be me
Alone, creating my own Destiny...

**It takes more people and more energy
To bring all wonders of life and mystery
Together, under the umbrella of Harmony,
Together, in one world of Destiny...**
